

GUIDELINES FOR POSITION

- Position:** Licensed Mental Health Therapist, \$44,000 - \$52,000 starting salary DOQ
- Minimum Qualifications:** Master's or Doctorate Degree in social work or similar degree. Must be currently licensed as a mental health professional; LGSW, LISW, LICSW, LMFT, LPCC, or LP. Experience delivering crisis services preferred. 2+ years experience in clinical services required. Licensure level and ability to supervise social workers will be considered when determining starting salary.
- Reports to:** Programs Manager
- Position Purpose:** To provide direct therapy and parenting skills training to prevent, intervene and address the mental health of parents involved in the child protection system and their children.
- Our Therapeutic Supervised Parenting program is focused on reunifying families separated through child protection services in order to address child welfare disparities. The majority of clients are families of color who are disproportionately represented in the child welfare system. This staff person needs to be committed to this focused effort.
- To provide direct therapeutic support and in-home crisis intervention to families in crisis; in the following clinical programs: Brief Counseling, Families First, and Supportive Services to Foster Care Providers.
- Schedule:** Mainly Monday through Friday, 8:30am – 4:30pm; 2-3 evenings per week, 1-2 Saturdays per month. Very Flexible Schedule

Central responsibilities include working directly with families to promote reunification and break the cyclical and generational cycles of abuse and neglect via providing therapeutic supervised parenting sessions utilizing assessments, counseling and parenting skills training techniques with families involved in the child welfare system. Additional direct client work includes in-home therapeutic crisis intervention for families just entering the child protection system, focusing on preserving and supporting the family. Other duties include providing diagnostic assessments, safety and treatment plans, session and court reports, as well as regular phone communication with county workers.

In addition, this person will provide, in conjunction/coordination with other qualified staff, clinical supervision to mental health practitioners at EVOLVE.

Other Job Duties: Develop and maintain sensitivity to client and employee diversity in the work place. Behave in ways that demonstrate respectful treatment of other employees and clients. Develop cultural competence related to the services provided by the agency. Build community support for the organization by recruiting families, volunteers and donors.
