

Dear business owners, golf enthusiasts and friends,

EVOLVE Adoption & Family Services is pleased to announce an opportunity to be part of our goal of helping children find their “forever families” by sponsoring or contributing to our latest fundraising event. Families FORE Kids Golf Tournament, in its eighth year, will be Monday, June 25, 2018 at The Royal Club in Lake Elmo. Now in its 41st year, EVOLVE strives to give every child we encounter the best possible outcome by connecting children to well-trained, culturally competent families. Today we can say that we’ve helped 7,500 children find a family through adoption, and we continue helping more children each year through our programs.

Please join us in celebrating these life-changing accomplishments by participating in our events.

One option for contributing to EVOLVE Adoption & Family Services is **Year-Long Sponsorship**. With it sponsors will have access to both our fundraising events with name recognition in promotional materials and on our website — all year long! We encourage you to be a business that supports families and children. The second option is to be one of our **event sponsors**. For instance, even if you are not a golfer, you may sponsor and be recognized at the tournament. Finally, we ask that businesses and individuals contribute **silent and live auction items** for our events. Thank you for doing what you can do to help children thrive and not just survive.

EVOLVE Adoption & Family Services is dedicated to a world where everyone has nurturing, permanent and supportive familial relationships. We provide a full breadth of inclusive, ethical programming: adoption, foster care, pregnancy support, youth services, therapeutic support and education.

**Our values are:**
