Form 990 - Organization's Mission

VISION AND MISSION: A world where everyone has nurturing, permanent, and supportive familial relationships. We provide a full breadth of inclusive, ethical programming: adoption, foster care, pregnancy support, youth services, therapeutic support and education.

Form 990, Part III, Line 4d - All Other Accomplishment

Foster care families can provide a temporary shelter and family environment to children who need the respite of a family other than their own. With Evolve's expansion, foster care has been added to its list of programs where these families commit to serve children through the Child Welfare System. The foster care provided is two types: Traditional and Concurrent. Traditional foster care will serve as a support system for children while remaining connected to their community, peers and birth families. They will protect the child's security, development, health and identity until that child can be reunified with their family. Concurrent Foster Care is a program where the foster family not only assists in reunification with the birth family, but also is preparing to be the adoptive family should reunification be impossible or not in the child's best interest; thus offering the least disruptions for foster care children. Evolve staffs its own foster care social workers who not only prepare families but support them at least once a month.
